#### By the end of this Webinar, participants will:

- Understand how Canadian women living with HIV differ from men
- Know the management of reproductive health and screening
- Understand the importance of holistic, family-centred care for positive women
- Appreciate the special challenges faced by First Nations women

If you cannot join the webinar on April 9, the recorded session will be accessible on the BC-CfE's website at [www.cfenet.ubc.ca/clinical-activities/education-training/webinars](http://www.cfenet.ubc.ca/clinical-activities/education-training/webinars).

The **HIV/AIDS Webinar Learning Series** is a partnership between the BC Centre for Excellence in HIV/AIDS (BC-CfE) and Positive Living BC. The goal of the Series is to empower people living with HIV and to improve their quality of life by providing them and health care providers with up-to-date treatment information related to HIV/AIDS. Sessions will bring together experts to share their knowledge and provide a forum for interaction, dialogue and mutual learning.
