The goals of this webinar are to understand:

- the challenges in assessment and management of HIV-positive individuals living with mental health and addictions issues
- the barriers that prevent HIV-positive individuals from disclosing their substance use and mental health concerns to providers
- an individual's barriers to accessing, engaging and remaining in care

SPEAKERS

Dr. Aida Sadr
Physician, Vancouver Native Health

Matthew Beasley
Peer Navigator, Positive Living Society of BC

HOST

Dr. Silvia Guillemi
Director of Clinical Education
British Columbia Centre for Excellence in HIV/AIDS

MODERATOR

Dr. Helen Kang
Clinical Educator
British Columbia Centre for Excellence in HIV/AIDS

The recorded session will be accessible on the BC-CfE's website at education.cfenet.ubc.ca/webinars.

The **HIV/AIDS Webinar Learning Series** is a partnership between the BC Centre for Excellence in HIV/AIDS (BC-CfE) and Positive Living BC. The goal of the Series is to empower people living with HIV and to improve their quality of life by providing them and health care providers with up-to-date treatment information related to HIV/AIDS. Sessions bring together experts to share their knowledge and provide a forum for interaction, dialogue and mutual learning.
