How you want to be treated.

Welcome Message

Dear colleagues:

We are delighted to welcome you to the British Columbia Centre for Excellence in HIV/AIDS 2023 Special BC-CfE/Antiretroviral Update. This one credit-per-hour Group Learning program has been certified by the College of Family Physicians of Canada and the British Columbia Chapter for up to **4.5 Mainpro+® credits** [SESSION ID# 198393-001].

The BC-CfE is committed to working with physicians, health care providers and the community to engage and retain affected individuals with appropriate treatment, care and support with the goal to reduce new cases of HIV, eliminate AIDS, and reduce related morbidity and mortality.

Knowledge transfer through continuing education for health care providers is a key component of the BC-CfE Treatment as Prevention® strategy. Video presentations of today's event will be posted on our website. Continuing Professional Development and Attendance Certificates are available. If you are not on our mailing list, please sign up and consent to receive emails. Please do so by checking the appropriate boxes on the contact sheet.

Please be sure to complete the evaluation form as this will form the program for future events.

Thank you for taking the time to attend today's Update. We look forward to your active participation and feedback.
